

Introducing the eMaint Custom Care Support Pack

Designed to provide customers with enhanced support and tailored resources to optimize their experience with eMaint software.

100 Service Hours of Dedicated Support

Customers will receive 100 hours of dedicated service from our expert support team to address specific needs and assist in maximizing the value of eMaint software.

Customized and Branded Documentation

Customers will receive customized and branded documentation that highlights their specific and unique account features within the Customer Success Portal and/or eMaint University – ensures your team has access to tailored resources that align with your organization's branding and workflows.

Personalized eMaint Support Contact Information

Enables customers to enjoy the convenience of a personalized eMaint support email address, NAME@emaintsupport.com – ensuring prioritized direct and efficient communication with our support team.
